

MINI TAKES THE STATES 2012

GO FORTH. GO WEST. GO MINI.

Here's something that could trump even the most legendary Fourth of July cookouts - the kickoff of our cross-country rally, MINI Takes the States 2012 (MTTS, for short). On July 4th, MINI Owners and fans will hit the open road, crossing the country from east to west, stopping only to eat, sleep and have a blast along the way.

Registration begins in April, so mark your calendar and sign up for updates for the road trip of a lifetime.
