## EAST DAY 8 DODGE CITY, KS TO DENVER, CO

### SPECIAL NOTES AND ANNOUNCEMENTS

**Friday, August 13**

**Dodge City to Denver**

Departure time: 9:00 am

1. Today's drive from Dodge City to Denver will be about 400 miles and will take approximately 8.5 hours.
2. Be sure to take lots of pictures of Boot Hill – you'll want to share your experience with your friends and family.
3. Head west on Wyatt Earp Blvd out of town. In about 50 miles you will merge on to 83 North. The US 83 will take you directly to Interstate 70. As you are reaching Oakley KS, you will need to make a right on US 40 and then the second right back on to US 83.
4. Before you leave Oakley, be sure to stop by the big Buffalo Bill statue on the left, you can't miss it! We will have a special surprise for you!
5. Now get back on US 83 North for about 3 miles until you reach Interstate 70. The 70 is going to take us to the Promised Land...Denver!
6. Just before you reach the Interstate is a little point of interest.... Prairie Dog Town! Home of a 5 legged cow and countless prairie dogs!!
7. The drive on Interstate 70 is long and hard. Don't zone out too much or else you will miss the Largest Easel in the world, complete with a HUGE Picasso! (Easel is real, Picasso is fake.)
8. Once you start getting close to Denver be on the look out for Interstate 225. Should be right after the airport exit. Head south on Interstate 225 for 13 miles to exit 1B and head west on Interstate 25 towards Denver.
9. At Exit 204 take a right on Colorado Blvd to Hilton at 600 South Colorado Blvd.
10. You should expect to be in Denver about 4:30 pm.
11. The evening event is a special surprise at the Infinity Event Center.
12. From the Hotel take Cherry Creek S Dr (just North of the Hotel) to Cherry Street. Take a right on Cherry and then a right on Kentucky and you have made it!
13. After the long journey you must have some dirty clothes... you are in luck! There is another Laundromat on site at the Hilton!
