Description:

For your one and only stop in Missouri, MINI of St. Louis decided it was time to just have some good old fashioned fun at Gateway Motorsports. Try out St. Louis's famous food trucks chock-full of delicious eats. Take a ride on the course with a professional driver or challenge your co-pilot to a Kart race. To really get the fun going the NASCAR Garage will be converted into a living, breathing video arcade. Not only will it be a blast playing with new friends you meet on the MTTs route, but it will finally answer that hotly debated question within your household of who was better at Donkey Kong, you or your spouse?
